

In the Claims:

Please add the following new claims:

13. (New) The plug-side connector of claim 1, wherein said first indicator is positioned on said sleeve such that said first indicator is visible from the back of the plug-side connector.
- Sub 13
a3 14. (New) The plug-side connector of claim 4, wherein each of said indicators is positioned on said sleeve such that at least one of said indicators is visible from the back of the plug-side connector.
15. (New) The plug-side connector of claim 5, wherein each of said indicators is positioned on said sleeve such that at least one of said indicators is visible from the back of the plug-side connector.
16. (New) The mating connector pair of claim 12, wherein each of said indicator is positioned at a peripheral edge of said sleeve away from said jack-side connector such that at least one of said indicators is visible from the back of the plug-side connector.

In the Drawings:

A Request to Approve Drawing Corrections submitted concurrently herewith includes a marked-up copy of FIG. 2 showing proposed changes in red. Please substitute this amended FIG. 2 for the pending FIG. 2.
